

Remarks

The above amendments are being made in order to substitute a new claim set for consideration by the United States Patent and Trademark Office when this application is examined. All claims in the International Application have been cancelled, and should any multiple dependency remain, that is unintended, and the Patent and Trademark Office is requested to cancel any remaining multiple dependent claims without prejudice before calculation of the national filing fee for the United States.

Following is a table referencing the new claims in relation to the claims of the International Application:

<u>New Claim</u>	<u>PCT Claim</u>
27	1
28	25
29	26
30	12
31	12, 13
32	18
33	14, 15
34	10
35	11
36	4
37	6

Examination of the application on its merits is awaited.
